## Fiche descriptive d'un cours

### Intitulé du cours : Anglais

Enseignante : Mme Wafa Atallah Saaied  
Département de français

### 1. Eléments constitutifs du Cours

Volume des heures de formation présentielle (par semaine)			
Cours	TD	TP	Autres
	1h30		

### 2- Objectifs du cours

Provide a learning atmosphere that encourages students to work on developing their skills:

- Speaking: give learners focused practice in speaking more quickly and easily.
- Listening: teach learners to understand language spoken at natural speed, and give them progressive practice in getting better at it.
- Reading: prepare learners to read the text in front of them as well as the next text they will encounter more skilfully.
- Writing: help students write different kinds of texts at different levels.

### 3- Résumé

- Make students realize how much they know.
- Make the students' passive knowledge active with a steady input of new language.
- Provide the students with the basic tools they need to speak English with confidence: (grammar +vocabulary)
- Use a variety of strategies and techniques to assess the students' progress: (pairwork, groupwork, doing quizzes, conducting discussions, making interviews...)

### 4- Plan ducours

Unit 7: Travel
